Florida, USA · Remote
Available now · contract, 30–40 hrs/week

I edit ads, product videos and motion graphics for brands, apps and creators.

SELECTED VIDEO WORK

"2:00 AM storm" product ad · BuilderLync Edit, UI motion 9:16 · 0:30
A storm hits at 2 AM, the app answers the lead, a proposal gets signed.

Retro infomercial · BuilderLync Edit, motion, graphics 9:16 · 0:33
A late-night "but wait, there's more" parody that sells real features.

Luxury furniture spot · Meavita Edit, motion, 3D tracking 9:16 · 0:38
Headline type tracked into the room in 3D.

Kinetic type promo · Nvok.io Motion design 16:9 · 0:36
Kinetic typography and 3D objects for a tech-education brand.

Phone UI promo · CleverRobots Motion design 9:16 · 0:23
Missed leads pile up, AI agents answer instantly.

Testimonial VSL Edit, story, graphics 16:9 · 1:56
Long-form sales video for a coaching program, built from customer testimonials.

Talking-head social ad Edit, captions 9:16 · 0:25
Walk-and-talk edit for a creator, with captions and pop-up graphics.

DESIGN WORK

Invitations and event flyers Print & social
Wedding and birthday invitations; flyers for a restaurant opening, a jazz evening, a bridal brunch, a kids' party and a corporate summit.

WEB & AUTOMATION

I also build websites and automations (WordPress, React, n8n), including a CRM migration tool that moves a contractor's contacts, jobs and files into one app.

SKILLS & TOOLS

LANGUAGES

English (native), Arabic (fluent)

EXPERIENCE

Freelance Video Editor, Motion Designer & Developer · Self-employed 2023–Present
- Edit and animate video for brands, from short TikTok ads to fully animated 3D sequences.
- Design brand identities and ad creative in Photoshop, Illustrator and Figma.
- Build websites, web apps and automations end to end (React, Supabase, n8n).

Developer & Content Manager · Autom8ion Lab, AI automation consultancy 2025–2026
- Content strategy and production, including the BuilderLync retro infomercial ad.
